Coach Looks At '59 Net Season

Belle Glade High School basketball squad remained on the courts this week in rugged drills and squad practice in anticipation of the District Eight tournament Mar. 5 at West Hollywood.

Coach Hector Ouellette turned the focal point of training on some of the systems expected to be present when the Rams meet Archbishop Curley.

Commenting on the season which closed Feb. 20, Coach Ouellette said this year has been the team's build-up year.

With Butch Davis, Clarence Thompson, John Hudspeth, Ron Chambers, Doug Thompson and Sidney Pierce coming back to form the nucleus of next year's team and some outstanding ball players making the leap from the B squad, prospects look good for the first season in the newly formed Palm-Lake Conference.

Roger Walker, Timmy Bass, Eddie Burton, Carl Norris and additions to the team. Only two seniors, Neil Livingston and B. T. Forsee, will be leaving the squad.

Their loss will be noticed. Ouellette said, however, prospects in the new league look favorable for the Rams.

Riviera Beach, pegged to be a top power in the league, and Forest Hills will be three-year schools next year. Old rivals such as Lake Wales and Sebring will be losing some of their big guns through graduation.

Considering such facts, the Rams probably won't be shedding any athletic tears at withdrawing from the Suncoast Conference.

Golf Match Is Mar. 2

Coach Bill Burke's golf squad opens its spring season Mar. 2 at Stuart. Five members of the team will make the trip. Squad members are Charles Lockmiller, Jerry McKee, Bill Van Landingham, Dick Pickett, Richard LeFris, Steve Weiss and Rennie Connell. Neil Livingston will join the squad after basketball season, Burke said.

The links team finished fourth in the conference last year.

Ft. Myers Adds Final 91-37 Blow To Ram 4-14 Year

Except for tournament action Belle Glade High School wound up its 1958-59 basketball season Feb. 20 when Ft. Myers blasted them 91-37 on the west coast.

For the Rams it was the bitter end of a 4-14 season. Ten Ft. Myers players made the scoring columns. Kenny Po well led the attack with 19. Paul Radcliff got 17, Tom Hayward hit 16. Clarence Thompson paced the Rams with a 15 point effort.

For Neal Livingston, the team's sharpshooter, was held to seven markers.

During last season the team averaged 41.6 points per game while their opponents averaged 52.1 points a game. Rams were 832, opponents 1,080. Neil Livingston was high-scoring with 266 points, a 13.3 per game average.

Ronald Hudspeth's sharp southpaw tones won him some of the team's scoring honors.

Roger Walker was high scorer for the B squad, which had an equally low 4-14.

Lake Shore Stops Wins With Second Highest Point Effort Monday

Lake Shore High School's basketball squad posted its second highest winning score of the season Monday night when they stopped Stuart 94-27.

The Bobcats had beaten Stuart 49-17 in the season 49-17.

Only the 110-33 win from Moore Haven was higher in points than the Monday clash.

Larry Glover hit 30 points to pace the winners and Eddie Monroe got 26 markers.

Stuart was high for the losers with eight points.

Lake Shore 18 20 29 29 — 94 Stuart 8 5 7 7 — 27

The Lake Shore girls team lost 52-43 at Louise Harold got 19 points.

The Bobcats close their net season Mar. 2 against Delray on the local boards.

Jessie Mae Got Mad When She Got Conked

Jessie Mae Williams gave police officers a hard time Monday night when they attempted to subdue her during a fight at S. W. Ave. B Place bar.

She had been creating a disturbance there, police said, and someone threw the heat with a chair in an attempt to quiet her.

After receiving emergency treatment at Belle Glade Memorial Hospital, she was jailed on four charges, being drunk, fighting, assault and battery on a police officer and resisting arrest.

She allegedly jumped from the police car and struck an officer during the altercation.

Shore was far down on the list with 3-11. Other listings were not available.

Tournament play begins today at Gifford. Belle Glade won't play until Friday.

Beginning at 1 p. m. Delray plays Melbourne. Stuart plays Cocoa, Titusville meets Key West, Okeechobee faces Immokalee and Moore Haven takes on Clewiston (Friday morning).

Winner of the Delray-Melbourne game plays Gifford; winner of the Cocoa-Stuart contest plays Lake Shore Friday afternoon; winner of the Okeechobee-Immokalee contest plays the Moore Haven-Clewiston winner; Titusville-Key West winner plays Ft. Pierce.

The semi-final round begins at 10 a. m. Saturday, consolation game at 3 p. m. and championship game at 8 p. m.

Coach Of The Year

Coach Campbell of Moore Haven was named Coach of the Year at the Southeastern Florida Athletic Conference meeting at Gifford High School. The selection was based on team improvement for the year and development of the athletes.

Perry Hughes of Melbourne and R. J. Taylor of Gifford were runners-up.

Miss T. S. Johnson, Clewiston, was Coach of the Year for girls' teams with E. Kenty of Okeechobee and Mrs. E. McCoy of Gifford as runners-up.

Bobcats Stop N. Dade Post 16th Win Feb. 18

The Lake Shore Bobcats swept a double-header Feb. 18 as their variety got back on the winning trail after its loss to Gifford, and the B squad won their contest.

North Dade fell 50-43 in the variety contest as Larry Glover hit 26 points. Leroy Galt, always a dangerous player, from North Dade got 23 points for the losers.

The Juniors won 37-23 as Edmon Hall got 10 for Lake Shore and Eric Bain got seven for the visitors.

The win was No. 16 against five losses in season play.

prize sweet corn in Florida is protected by DITHANE

The successful growing of sweet corn in Florida would not have been possible without the help of DITHANE in controlling leaf blight.

You often hear this said among Florida sweet corn growers... and statistics on both the vast increase in acreage and the steadily increasing use of DITHANE fungicides in Florida back up what they say.

Sweet corn fields sprayed with DITHANE are noted for the absence of Helminthophora leaf blight and Fusarium rot. The pay-off is higher yields of firm, well-filled ears that sell faster at top prices. And growers like the way DITHANE "babies" their crop... the way it helps the plants stay green and healthy.

DITHANE is available as a liquid you mix with zinc sulfate (DITHANE D-14), or as wettable powder or dusts (DITHANE M-22, DITHANE Z-78). See your local dealer or Rohm & Haas field man for help in setting up a regular DITHANE spraying schedule.

DITHANE is a trademark, Reg. U.S. Pat. Off. and is protected by foreign patents.

THE WORLD'S MOST BEAUTIFULLY PROPORTIONED CARS

Hula-hoop-wide doors... and head room aplenty

You'll love the full six-passenger comfort in the cars

BUILT FOR PEOPLE!... Just one standard was used by Ford in designing its 1959 car—people! First, Ford made the door openings wider, so it's easier to get in and out. Next they made sure that six big people—not just four or five—could stretch out on seats that are padded their full width. Result? More room for everybody's legs, elbows, hips and hats... more solid comfort than ever before.

BUILT FOR SAVINGS!... Savings start the moment you buy a Ford. A price tag comparison with major competitive cars will prove it! And you go right on saving. Ford's standard engines that thrive on regular gas save you a dollar each tankful. Ford's Full-Flow Oil Filter means oil changes only each 4000 miles. Ford's aluminum mufflers last twice as long. Tomato Growers Meeting Set Mar. 4 at Clewiston

George Pedersen, Perrine, chairman of the Florida Fruit & Vegetable Association's Tomato Committee, has called a meeting of all tomato growers of the State for 10:00 a. m., Wednesday, March 4, 1959 at Clewiston Inn, Clewiston, Florida.

Purpose of the meeting is to discuss various phases of the State's \$50,000,000 tomato industry, according to Pedersen. "All tomato growers of Florida, whether members of the Association or not, are urged to be present. We expect to cover important phases of this industry and to develop a program of action which should benefit us all," said Pedersen. Other members of the FFVA Tomato Committee, listed by Pedersen, are: C. B. Streetman, Vero Beach, vice-chairman; John W. Campbell, Goulds; C. Carpenter, Homestead; W. J. James, Copeland; John Kunkmer, Buskin; and Jack Taylor, Palmetto.

Mrs. Margaret McKinley and son, Steve, had Sunday dinner with her parents, Mr. and Mrs. Jake Newman.

Mrs. Van Horn Is Orchid Show Judge

This year's International Orchid Show, held at Miami's Bayfront Park auditorium Feb. 20-23, was most beautiful than ever and attracted quite a few Belle Glade people.

Mrs. and Mrs. Juan Van Horn attended the show Sunday and Mrs. Van Horn was one of the judges. Miss Margaret West was winner of a beautiful orchid corsage. Each hour a corsage was given to the holder of the lucky number drawn. Among other attending were Mrs. Clara Stinson, Mrs. Lois Ruff, Mrs. James McCarly, Mrs. J. P. Halbrook, Mrs. Kathleen Livingston, Mrs. Lyle Sheeley, Harley G. Morton and Mr. and Mrs. Spotswood Burr, who grow orchids here.

Rites Conducted For Miss Aurel Whitlock

Mr. and Mrs. W. K. Whitlock, retired, held a private funeral service for their daughter, Miss Aurel Whitlock, on Feb. 17. Funeral services were conducted in Dix, 2 p. m. Tuesday, Feb. 17. Many will remember Miss Whitlock, who spent several winters in Belle Glade accompanied by her mother, Mrs. Maude Whitlock. She is also survived by a brother Ray, who lived in Belle Glade.

agreement with the city. All necessary deeds and papers have been completed since Dec. 29, the letter says.

The city council was expected to take action on the matter immediately. The agreement proposed that the city agree to make adjustments, relocations or changes of facilities of utilities, municipal or otherwise, in order to comply with plan designs of Ave. E.

The stipulation that the city move telephone and power facilities in addition to its own water lines at no cost to the county is the stumbling block, and the reason for the two-month delay, the city says.

The State Road Department has set Mar. 24 as a tentative date to receive bids on the \$315,000 project if the utilities agreement is negotiated.

dollars annual in farm production loans. Around four hundred fifty thousand of these assets represent earnings to the 418 stockholders. There is also a special reserve against possible losses of nearly another hundred thousand.

Instead of owing the Intermediate Credit Bank \$237,150 operating capital, as this organization did in '35, it has repaid \$400 in stock in the parent organization, has government bonds worth its own office building and has cash in the bank.

It exercises its ability to re-discount loans made in this area through the Intermediate Credit Bank, and has developed a progressive attitude toward farmers of the area who need cash money for crop production.

Dairying, beef cattle, winter vegetables, citrus and many other agricultural operations of southeast Florida look enticing to the board when considering crop production loans.

H. H. Wedgworth was the first board member from the Glades; then Little Doe Van Landingham and now George Wedgworth has followed in his father's footsteps as director with the additional obligation of Vice President.

The year '58 developed into the best in the quarter of a century of operation for the membership was increased by 26, more gross profit was realized (close to 80 thousand) and almost double the net of '57.

In these days alphabetical organizations of government, which change names as fast as Pan American presidents change residence, it's most satisfying to know of ANY that return a profit to Dear Uncle, instead of mounting a budgetary deficit.

The Farm Credit Administration (FCA) and FHA are definitely in this category, and they're designed to and DO help the little fellow.

Robert Lantieri, the Glades representative of the Miami office, holds forth in a handsome office on N. W. 16th Street, Belle Glade, and services the association's Glades customers.

Express Your Opinion BG C Of C Stresses

"This is your year to express your opinion to your legislators," states the Belle Glade Chamber of Commerce publication, "Chamber Chatter" which reminds us to write our legislators at the state and national level to advise them of our feelings on matters of mutual concern.

The chamber is making plans for a campaign to urge merchants and citizens to write to their representatives on letterhead stationery or personal letter. One personal letter counts more than most mimeographed petitions with several names.

A good first on the matter of forming your representative would be to see Congressman Paul Rogers' annual questionnaire printed in full in this issue. Fill the form and answer the questions. Complete mailing information will be found on the form.

PONTIAC NAMED CAR OF THE YEAR

"Pontiac with wide-track wheels is the best combination of ride... handling... performance and styling of any '59 car"

-The Editors of Motor Trend Magazine

In making its annual automotive award, the staff of Motor Trend Magazine, leading automotive publication, tests and evaluates all new cars. Here are quotations from the April 1959 issue:

"The stability of the 1959 Pontiac is the outstanding automotive advance of the year. Everyone considering a new car should experience it."

"It's the best balanced passenger car in America. We firmly believe that in moving the wheels farther apart, to develop the widest stance of any American car, Pontiac has created an entirely new sense of balance and handling security."

"Pontiac's lines are clean, simple and beautiful. It has a sleek look, a trim appearance. The wide wheel design contributes greatly to its overall integrated styling. Any comparison with narrower track cars readily shows the difference."

"For the economy-minded, an efficient new engine. The new 420E Tempest engine offers remarkable performance along with exceptionally high mileage while operating on regular grade gasoline."

"Pontiac is again tops in performance, based on our extensive road testing. Acceleration is outstanding, yet the engine is unusually quiet and smooth."

Your nearest Pontiac dealer will be glad to let you road-test this award-winning automobile on your own. You'll see why it's the year's most talked-about car!

THE ONLY CAR WITH WIDE-TRACK WHEELS

Wheels are five inches farther apart. This widens only the stance, not the car. Pontiac takes a better grip on the road, hugs tighter on curves and corners. Sway and lane departure, ride is smoother, balanced, steady. Handling is easier. You drive with a new confidence, a comforting security. Pontiac gives you readability on "narrow" roads - see us often.
